

# Royal Red Maple

(*Acer platanoides* 'Royal Red')

**Shade Tree**

**30' - 40' High**

**25' - 35' Spread**

**Oval Shape**

**Growth  
Slow**

**Full Sun**

**Water Needs  
Moderate**

**Zone 4 - 7**

The Royal Red Maple is a Norway Maple selection that is similar to the 'Crimson King', but with a slower, stronger growth rate and better color. It has a straight trunk with a dense, well shaped canopy. The glossy foliage is an excellent maroon color all summer long. The Royal Red Maple is heat and drought tolerant once established.
