

# Baby Gem Boxwood

(*Buxus microphylla japonica* 'Gregem')

Evergreen Shrub

1.5' - 2' High

1.5' - 2' Spread

Medium Growth

Full Sun/Part Shade

Various Soils

Shape

The Baby Gem Boxwood is a fine-textured broad-leaved evergreen that grows as tall as it does wide...which is pretty small. It's an exceptionally compact boxwood excellent for use in smaller gardens for borders and focal areas. It keeps its rounded form without any pruning, and is easy to maintain throughout its entire life. The Baby Gem Boxwood has deer tolerance and some heat and drought tolerance. (Zones 5 - 9)
