

Sunray Coreopsis

(*Coreopsis 'Sunray'*)

Perennial

12" - 24" Tall

12" - 18" Wide

**Bloom Time:
Summer**

Fast Growth

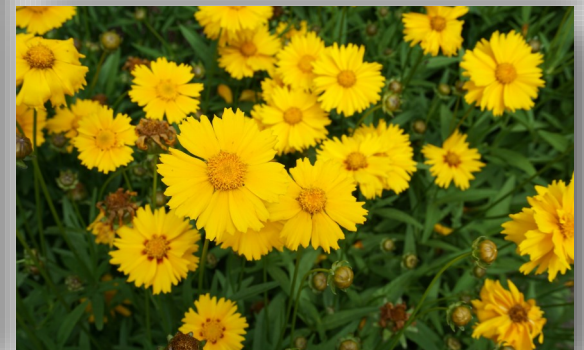

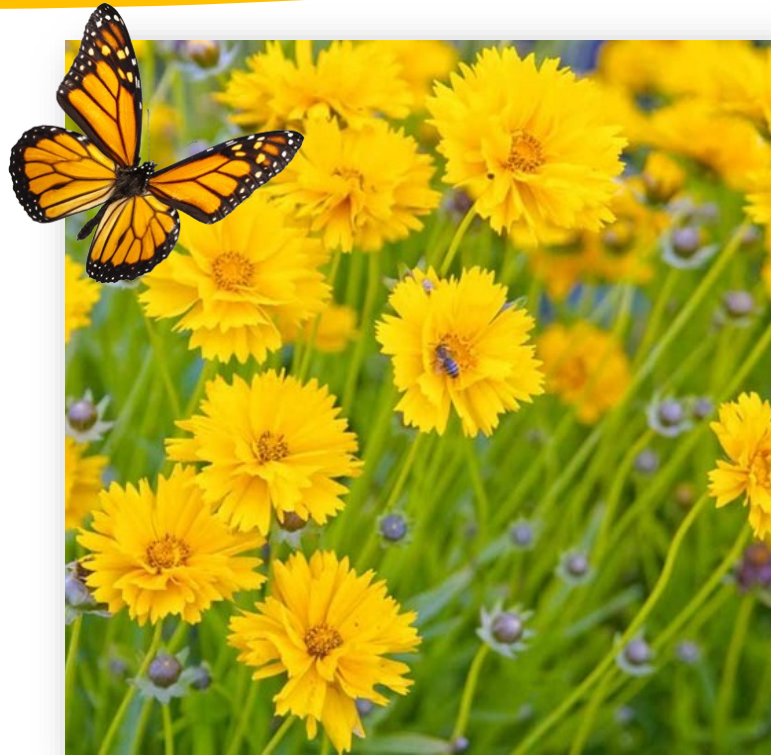

Full Sun

**Water Needs:
Low**

Zones 4 - 9

Sunray Coreopsis is a drought tolerant perennial with bright yellow double flower blooms. It does best in full sun areas. It is great for borders or towards the front of perennial garden locations. Sunray Coreopsis may be sheared in late summer to promote an extra fall bloom. **Attracts butterflies.**
