

# June Hosta

(*Hosta x 'June'*)

**Perennial**

**12" - 18" Tall**

**24" - 30" Wide**

**Bloom Time:  
Spring**

**Moderate Growth**

**Shade to Part Sun**

**Water Needs:  
Moderate**

**Zones 3 - 8**

June Hostas have distinctive gold leaves with striking blue-green edges. Pale lavender flowers appear on showy stalks above the foliage in summer. Heavy, substantial foliage resists slug and insect damage.

**Attracts Hummingbirds and Butterflies!**
