Flowering Shrub

3' - 4' High

3' - 4' Spread

Round Shape

Moderate Growth

Partial to Full Sun

**Water Needs
Moderate**

Zone 3 - 8

This is a wonderful dwarf form of the popular Quick Fire[™] hydrangea. Like the original, it blooms earlier than other hydrangeas. White flowers transform to pink-red as summer progresses. Compact size fits easily into any landscape. Use it in a border, a showy specimen or foundation plant. Its early bloom time will extend your garden's hydrangea season.
