

Ivory Silk Japanese Tree Lilac

(*Syringa reticulata* 'Ivory Silk')

Flowering Tree

20' - 25' High

15' - 20' Spread

Medium Growth

Full Sun/Part Shade

Well Drained Soils

Round Shape

The Ivory Silk Japanese Tree Lilac makes for a spectacular ornamental tree in any landscape. Large, fluffy, ivory-colored panicles bloom in June, and are very fragrant. It is also one of the easiest lilacs to grow, it has good resistance to powdery mildew, scale, and borers. It also has good tolerance for urban conditions and is deer resistant. It grows best in moist, well drained soils. It tolerates clay and a variety of pH levels. (Zones 3 - 7)
