

Creeping White Phlox

(Phlox subulata 'White')

Perennial

6" Tall

18" - 24" Wide

**Bloom Time:
Spring**

Moderate Growth

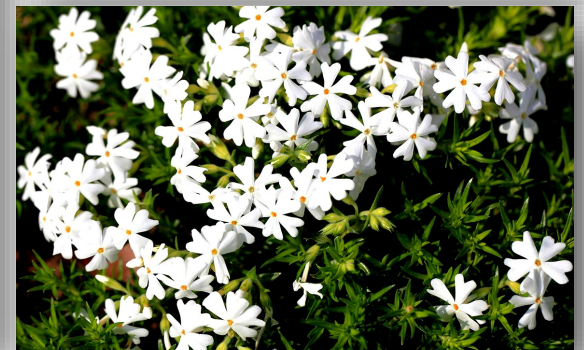

Full Sun

**Water Needs:
Moderate**

Zones 3 - 8

Creeping White Phlox is a groundcover with a bright white flower color in the spring. It is a great filler in borders and other sunny locations. One of the first perennials to bloom in our zone.
