EDITIONS™

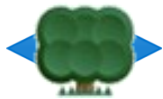

NEW PLANTS. NEW SOLUTIONS.

Shrub

5' - 6' High

5' - 6' Spread

Round Shape

Fast Growth

Full Sun

**Water Needs
Moderate**

Zone 4 - 8

Tiger Eyes® Sumac's fern like foliage is bright yellow in the growing season and changes to an orangish red fall color. It can be planted in the back of the garden or as a specimen plant. The fuzzy branches of Tiger Eyes® Sumac tend to angle upward, while the deeply cut leaves drape downward, giving it an overall oriental appearance.
