

'Brightside' Shasta Daisy

(*Leucanthemum x superbum* 'Brightside')

Perennial

Bloom Time:

Mid — Late Summer

1.5' - 2.5' High

2' Spread

Fast Growth

Full Sun

Well Drained Soils

Attracts Butterflies

The Brightside's compact size and sturdy stems are considered an improvement over the ever popular 'Becky' Shasta Daisy. The 'Brightside' Shasta Daisy is a prolific, long-time bloomer, and it offers a bright white flower to offset other colors in your garden. It is ideal for front walkways, butterfly gardens, perennial borders, or anywhere else in the yard that has good drainage and full sun. (Zones 5 - 9)
