

Sonic Bloom[®] Pearl Weigela

(Weigela florida 'Bokrasopea')

Flowering Shrub

4' - 5' High

4' - 5' Spread

Medium to Fast Growth

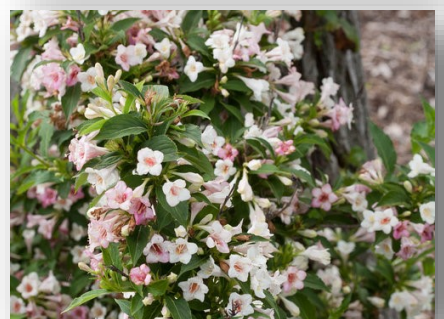

Full Sun

Various Soils

Round Shape

Sonic Bloom[®] Pearl Weigela has some amazing attributes for a small shrub. Sonic Bloom[®] plants have the strongest reblooming seen on the weigelas. They bloom in May and keep reblooming until frost. No deadheading necessary. The flowers open pure white with a yellow throat and then change to pink, giving you multiple colors on a single plant. They also attract hummingbirds. (Zones 4 - 8)
