

Minuet Weigela

(Weigela florida 'Minuet')

Flowering Shrub

2.5' - 3.5' High

3' - 5' Spread

Medium Growth

Full Sun

Various Soils

Round

Minuet Weigela is a dwarf shrub with showy flowers and foliage. Your Minuet Weigela is a colorful plant even when not in full bloom. The leaves have a slight purple hue, lending them an attractive color all season long. In spring, yellow-throated, hot-pink flowers with a trumpet-like appearance appear for a dramatic display in your yard. (Zones 4 - 8)
