

Wings of Fire Weigela

Great New Plants.

(*Weigela florida* 'Wings of Fire' Plant Patent #21,920)

Flowering Shrub

3' - 4' High

3' - 4" Spread

Medium Growth

Full Sun

Various Soils

Mounded Shape

The Wings of Fire Weigela is a versatile spring blooming shrub that has pink blooms against glossy green foliage. This shrub then quickly takes on a bronze hue. In summer they are glowing red, turning brilliant burnt-red in the fall. An excellent alternative to Burning Bush. With an upright, mounded habit this shrub creates a wonderful accent in a border or garden bed.

(Zones 5 - 8)
