Low**

Zone 4 - 8

The Color Guard Yucca has slightly arching, sword-shaped, variegated foliage of yellowish—white against dark green which provides great architectural interest. It has showy spires of fragrant white blooms in the summer, and the evergreen foliage adds winter interest as well. Color Guard Yucca is a very unique plant for the area, and it is sure to add interest to your garden. Tolerant of wind, heat, humidity, and drought.
