

# Armstrong Maple

(*Acer x freemanii* 'Armstrong')

**Shade Tree**

**35' - 45' High**

**10' - 15' Spread**

**Columnar Shape**

**Growth  
Fast**

**Full Sun**

**Water Needs  
Moderate**

**Zone 4—9**

Armstrong Maple is a fast growing columnar maple variety. Its slim shape makes it a great choice for street side plantings or privacy screens. It will produce a stunning orangish-red fall color.
