

# Blackhawks Big Bluestem

(*Andropogon gerardii* 'Blackhawks' )

**Perennial Grass**

**4' - 5' Tall**

**1' - 2' Wide**

**Fast Growth**

**Full Sun**

**Water Needs:  
Moderate**

**Zones 3 - 9**

Blackhawks Big Bluestem is a gorgeous native selection which has outstanding landscape color throughout the year with bright green foliage sporting red accents in the summer. As weather cools the foliage turns deep purple to black. A great selection for borders or mass plantings.
