Shrub

12" - 16" High

12" - 16" Spread

Round Shape

Slow Growth

Sun

Water Needs  
Low

Zone 5 - 7

The Admiration Barberry is a dwarf variety of barberry that offers many different colors in a compact size. It has bright orange-red foliage with gold edges that turns a brilliant red in the fall. A great choice for a small hedge or to fill in a border. **Barberries have spines!**
