

Jack Frost Brunnera

(Brunnera macrophylla 'Jack Frost' PP #13,859)

Perennial

12" - 18" Tall

18" - 24" Wide

**Bloom Time:
Spring**

Moderate Growth

Shade

**Water Needs:
Moderate**

Zones 3 - 8

Jack Frost Brunnera has brilliant silver leaves with contrasting green veins that are distinctive and eye-catching in shaded beds. It has clusters of tiny blue flowers that provide additional color in the spring. Use in mass to create a shimmering groundcover or use individually as a garden accent.
