

Baby Gem Boxwood

(Buxus microphylla japonica 'Gregem')

Evergreen Shrub

1.5' - 2' High

1.5' - 2' Spread

Round Shape

Slow Growth

Full to Partial Sun

**Water Needs
Low**

Zone 5 - 9

The Baby Gem Boxwood is a fine-textured broad-leaved evergreen that grows as tall as it does wide which is pretty small. It's an exceptionally compact boxwood excellent for use in smaller gardens for borders and focal areas. It keeps its rounded form without any pruning, and is easy to maintain throughout its entire life.
