

Chicagoland Green[®] Boxwood

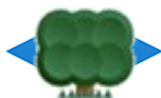

(Buxus x 'Glencoe')

Evergreen

3' - 4' High

3' - 4' Spread

Round Shape

Slow Growth

Full Sun

**Water Needs
Low**

Zone 4 - 9

The Chicagoland Green[®] Boxwood is known for its cold hardiness in the upper Midwest region. It is an evergreen so it will keep its deep green color all year long. An excellent foundation hedge or a backdrop for flowering perennials.
