

# Golden Mop False Cypress

(*Chamaecyparis pisifera* 'Golden Mop')

**Evergreen Shrub**

**2.5' - 3' High**

**3' - 4' Spread**

**Round Shape**

**Slow Growth**

**Sun**

**Water Needs  
Low**

**Zone 4 - 8**

Golden Mop False Cypress is a ground-hugging mound that is truly mop-like, with stringy leaves that color best in full sun. A terrific accent to add contrast to a landscape. It is evergreen and will hold its color all year.
