

Mountain Mist Dianthus

(Dianthus 'Mountain Mist')

Perennial

8" - 12" Tall

8" - 12" Wide

**Bloom Time:
Summer**

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 3 - 9

Mountain Mist Dianthus has smoky pink flowers that are fragrant. It will bloom throughout the summer, and if dead headed it has a chance to bloom more frequently. The blue grass like foliage is a wonderful contrast to the flowers, and it looks neat and compact without blooms. A great choice for walkways or along borders.
