

# Sombrero® Flamenco Orange Coneflower

(*Echinacea x 'Balsomenco'* PP #25,523)

Perennial

18" - 24" Tall

18" - 24" Wide

Bloom Time:  
Summer

Fast Growth

Full Sun

Water Needs:  
Moderate

Zones 4 - 9

Sombrero® Flamenco Orange Coneflower has bright orange blossoms that bloom prolifically throughout the summer months and into the fall. The seed head if left on can add winter interest, and it makes a nice treat for wild birds. **Attracts Butterflies!**
