

Autumn Gold Ginkgo

(*Ginkgo biloba* 'Autumn Gold')

Shade Tree

35' - 50' High

35' - 50' Spread

Round Shape

**Growth
Slow**

Full Sun

**Water Needs
Moderate**

Zone 4 - 9

Autumn Gold Ginkgo is a fruitless male strain, and won't produce the odor of female Bilobas. It has one of a kind fan-shaped green foliage that turns brilliant golden yellow in fall. Symmetrical branching creates an exceptional upright landscape accent, eventually becoming a stunning shade tree with age.
