

# Sunflare™ Japanese Forest Grass

(*Hakonechloa macra* 'Sunfalre™')

**Perennial Grass**

**12" - 18" Tall**

**16" - 20" Wide**

**Fast Growth**

**Part Sun**

**Water Needs:  
Moderate**

**Zones 5 - 9**

Sunflare™ Japanese Forest Grass is a bright accent grass for a shaded area. The foliage emerges neon green with red tips, and it will add tones of red and orange in the fall. A great choice for walkways, or to brighten up a shade garden.
