

# Little Grapette Daylily

(*Hemerocallis* x 'Little Grapette')

**Perennial**

**12" - 16" Tall**

**12" - 16" Wide**

**Bloom Time:  
Summer**

**Fast Growth**

**Full Sun**

**Water Needs:  
Moderate**

**Zones 4 - 11**

Little Grapette Daylily is a flowering perennial prized for its compact clumps of slender, green, grass-like leaves that are highlighted by beautiful, deep lavender-purple flowers on tall stems. It can be planted in mass for a stunning early summer show. An excellent choice for borders and walkways.
