

Mars Coral Bells

(*Heuchera 'Mars'*)

Perennial

8" - 12" Tall

12" - 14" Wide

**Bloom Time:
Summer**

Moderate Growth

Full to Part Shade

**Water Needs:
Moderate**

Zones 3 - 8

The Mars Coral Bells have pale purple foliage with dark veins that run through them. This low mounding perennial blooms white flowers in the summer. A great contrast with other varieties of Coral Bells, and a unique looking stand alone plant.

Attracts Hummingbirds and Butterflies!
