

# Starry Starry Night Hardy Hibiscus

(*Hibiscus 'Starry Starry Night' PP27901*)

**Perennial**

**3.5' - 4' Tall**

**3.5' - 4' Wide**

**Bloom Time: Late Summer**

**Fast Growth**

**Full Sun**

**Water Needs: Moderate**

**Zones 4 - 9**

Starr Starry Night Hardy Hibiscus has incredibly dark maple leaf-like foliage. It has pale pink blooms which flower in late summer and persist into the fall. A great choice for full sun perennial beds. **Attracts Butterflies!**
