Shrub

1' - 2' High

2' - 3' Spread

Round Shape

Fast Growth

Part to Full Shade

Water Needs  
Moderate

Zone 3 - 8

Invincibelle Wee White® Hydrangea is a dwarf variety of hydrangea that has a huge flower. It will produce white mop head flowers in the summer and they persist throughout the fall. It has sturdy stems and is less likely to flop than other hydrangea arborescens varieties. **Attracts Butterflies!**
