

Zebra Iris

(Iris pallida 'Aurea Variegata')

Perennial

24" - 36" Tall

18" - 24" Wide

**Bloom Time:
Summer**

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 3 - 9

Zebra Iris is a unique perennial with green and yellow variegated foliage. It produces fragrant purple flowers in mid-summer. The variegated upright foliage makes for a great contrast with other perennials. Can be planted in mass or mixed in perennial gardens.
