Flowering Shrub

2' - 3' High

2' - 3' Spread

Round Shape

Moderate Growth

Partial to Full Sun

**Water Needs
Moderate**

Zone 5 - 9

This compact Sweetspire starts out the summer with a beautiful display of fragrant white flowers that blanket the shrub. As summer progresses shiny, disease-free foliage appears until fall when the foliage turns a stunning garnet-red. Full sun exposure will produce more vibrant fall colors, but this shrub is well-suited for the shade as well. Perfectly suited for covering large banks, beds and borders. **Attracts Butterflies!**
