

Blue Rug Juniper

(Juniperus horizontalis 'Wiltonii')

-  **Groundcover**
-  **6" - 8" High**
-  **6' - 8' Spread**
-  **Spreading Shape**
-  **Moderate Growth**
-  **Full Sun**
-  **Water Needs Low**
-  **Zone 3 - 9**

The Blue Rug Juniper has intense silver-blue evergreen foliage. Its low height and massive spread will fill in empty areas in any landscape. A popular use for the Blue Rug Juniper is on retaining walls or walkways.
