

Hidcote Blue English Lavender

(*Lavandula angustifolia* 'Hidcote Blue')

Perennial

2' - 3' Tall

2' - 3' Wide

**Bloom Time:
Summer**

Moderate Growth

Full Sun

**Water Needs:
Moderate**

Zones 5 - 9

Hidcote Blue English Lavender is a versatile herb which will provide brilliant color and fragrance to your landscape. Deep purple flower spikes rise above the gray-green foliage in the summer to give a long lasting visual and fragrant appeal. Great for mass plantings along walkways. **Attracts Butterflies!**
