

# Kobold Liatris

(*Liatris spicata* 'Kobold')

**Perennial**

**24" Tall**

**12" Wide**

**Bloom Time:  
Summer**

**Moderate Growth**

**Full Sun**

**Water Needs:  
Moderate**

**Zones 4 - 9**

Kobold Liatris is a compact cultivar that forms low grassy clumps which produce abundant spikes of showy purple/pink blossoms. It is a great choice for sunny beds and borders. The long lasting flower is excellent for cut flower arrangements.

**Attracts Butterflies!**
