

# Cardinal Flower

*(Lobelia cardinalis)*

**Perennial**

**2' - 4' Tall**

**1' - 2' Wide**

**Bloom Time:  
Summer to Fall**

**Moderate Growth**

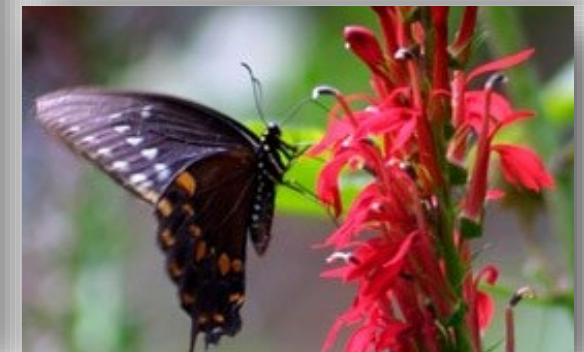

**Partial Sun**

**Water Needs:  
High**

**Zones 3 - 9**

The Cardinal Flower is a monumental perennial for partial sun areas in your landscape. It blooms red flowers throughout the summer months, and tall foliage provides a great backdrop even when the flowers aren't there. Cardinal Flower can be a great option for wet areas in the yard. **Attracts Hummingbirds and Butterflies!**
