

Cosmopolitan Maiden Grass

(Miscanthus sinensis var. condensatus 'Cosmopolitan')

Perennial Grass

6' - 8' Tall

4' - 5' Wide

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 5 - 9

Cosmopolitan Maiden Grass is a large ornamental grass with remarkable variegated foliage. Graceful copper flower plumes appear in the late summer or early fall. Foliage will turn a bright yellow in the fall fading to brownish-beige as the year progresses. A great choice for adding contrast in the yard.
