

Zebra Grass

(*Miscanthus sinensis* 'Zebrinus')

Perennial Grass

4' - 7' Tall

3' - 5' Wide

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 4 - 9

Zebra Grass is known for its yellow horizontal bands which offer beautiful contrast to the otherwise green grass. Silvery-white plumes rise above the foliage in late summer and last all winter. A great choice as a focal point or as a screen in the yard.
