

Coral Reef Beebalm

(*Monarda didyma* 'Coral Reef' PP#16,741)

Perennial

24" - 36" Tall

24" - 36" Wide

**Bloom Time:
Summer**

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 4 - 9

Coral Reef Beebalm is a tough, aromatic perennial that blooms throughout the summer. Its hot-pink flowers are an excellent contrast in any part of the garden. Can be planted in mass, in borders, or as a filler in the perennial garden.
