

Walker's Low Catmint

(*Nepeta x faassenii* 'Walker's Low')

Perennial

24" - 30" Tall

24" - 36" Wide

**Bloom Time:
Summer**

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 4 - 9

Walker's Low Catmint has sensational blue flower spikes that compliment the fragrant, compact mound of gray-green foliage. It is lovely when planted in mass or in borders. A durable perennial that is also drought tolerant. **Attracts Butterflies!**
