

# Heavy Metal Switchgrass

*(Panicum virgatum 'Heavy Metal')*

**Perennial Grass**

**3' - 4' Tall**

**1' - 2' Wide**

**Fast Growth**

**Full Sun**

**Water Needs:  
Moderate**

**Zones 4 - 9**

Heavy Metal Switchgrass has metallic blue foliage that stands straight up. In the summer feathery pinkish flower panicles form on the grass. Foliage turns golden in autumn and develops a golden brown winter color.
