

Felix Crousse Peony

(*Paeonia lactiflora* 'Felix Crousse')

Perennial

30" - 36" Tall

18" - 24" Wide

**Bloom Time:
Summer**

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 3 - 8

Felix Crousse Peony produces reddish-pink double flowers in early summer. Its foliage emerges in early spring and lasts through the fall. A great choice to plant in mass or to mix in a perennial garden.
