

Flame™ Red Phlox

(*Phlox paniculata* 'Flame™ Red')

Perennial

16" - 20" Tall

16" - 18" Wide

**Bloom Time:
Summer**

Fast Growth

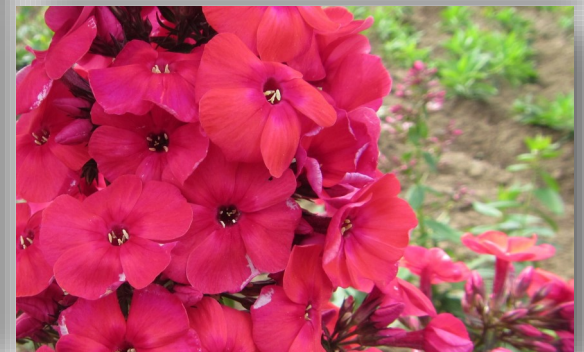

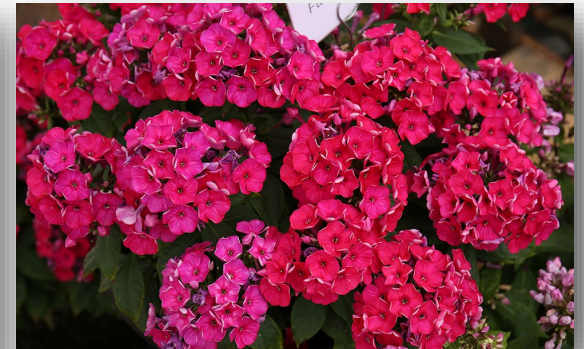

Full Sun

**Water Needs:
Moderate**

Zones 4 - 8

Flame™ Red Phlox has bright magenta flowers which are also very fragrant. It blooms mid-summer to fall and its blooms contrast well with the dark green foliage. A great choice for a perennial backdrop or planted in mass to brighten up the yard.

Attracts Butterflies and Hummingbirds!
