

# Bacheri Blue Spruce

(*Picea pungens* 'Bacheri')

**Evergreen Tree**

**12' - 18' High**

**6' - 8' Spread**

**Pyramidal Shape**

**Growth**

**Moderate**

**Full Sun**

**Water Needs**

**Low**

**Zone 4 - 7**

The most vibrant blue of the blues spruces. Its slender habit and upward angled branches make it a great choice for smaller yards. It is a grafted variety that will only grow to around 20 feet tall. It can be planted as a specimen or as a wind block.
