

# Bennett's Fastigiata White Pine

(*Pinus strobus* 'Bennett's Fastigiata')

**Evergreen**

**7' - 8' High**

**2' - 3' Spread**

**Pyramidal Shape**

**Moderate Growth**

**Full Sun**

**Water Needs Low**

**Zone 3 - 8**

Bennett's Fastigiata White Pine is a dwarf variety with many appealing attributes. It has compact size and an upright growth habit that make it a versatile plant. Its bluish-green needles will hold their color throughout the entire year. Great as a specimen plant or as a small privacy barrier.
