

Fine Line Buckthorn

(Rhamnus frangula 'Ron Williams')

Shrub

5' - 7' High

2' - 3' Spread

Columnar Shape

Moderate Growth

Full Sun

**Water Needs
Moderate**

Zone 2 - 7

Lacy fern-like foliage combined with a narrow columnar habit make the Fine Line® Buckthorn great for adding texture and shape to the garden. It can easily be used to make a hedge row, or it can be used as a single accent plant. Foliage turns yellow in fall adding extra interest to this upright shrub. The Fine Line® Buckthorn is a non-invasive cultivar that is also deer and drought tolerant.
