

Nishiki Dappled Willow

(Salix integra 'Hakuro Nishiki')

Shrub

6' - 10' High

6' - 10' Spread

Round Shape

Fast Growth

Full Sun

Water Needs High

Zone 4 - 9

The Nishiki Willow is a fast growing shrub that offers a lot of color. It has weeping branches that display pink stems, with leaves that are white, green and pink. It can grow up to be 15 to 20 feet tall if not pruned. It prefers moist soil so its perfect for that wet spot in the yard.
