

May Night Salvia

(Salvia x sylvestris 'May Night')

Perennial

12" - 24" Tall

12" - 24" Wide

**Bloom Time:
Summer**

Fast Growth

Full Sun

**Water Needs:
Moderate**

Zones 4 - 9

May Night Salvia blooms prolifically throughout the late spring and summer. With deep purple-blue flowers, it is sure to stand out in any landscape. It is an outstanding perennial with excellent cold hardiness, vigor, and tolerance of heavy clay soils. If dead-headed it will rebloom later in the summer with another mass of abundant flowers. Deer and Rabbit resistant. **Attracts Butterflies and Hummingbirds!**
