

Autumn Joy Sedum

(Sedum spectabile 'Autumn Joy')

Perennial

12" - 24" Tall

12" - 24" Wide

**Bloom Time:
Summer - Fall**

Moderate Growth

Full Sun

**Water Needs:
Moderate**

Zones 4 - 11

Autumn Joy Sedum is a sturdy perennial, and is as tough as they come. Clumping leather-like foliage displays large, plate-like flower clusters that start pink, then gracefully age to rosy red in the fall. A fine addition to any rock garden or mixed border. Succulent foliage will die back to the ground in cold regions, but will re-emerge in early spring. **Attracts Butterflies!**
